

THE RAYMOND LION

The Canadian National Institute for the Blind is one of the greatest organizations for good of the underprivileged that we have in Canada. This institution is run by blind people for blind people. The president of the institute is Mr. Hewitt, who is completely blind. They have a few people with normal sight to act as secretaries and instructors. Braille is taught and many very useful trades. A blind citizen is taken into the school for many months and taught to be entirely independent. He is taught how to get around alone. He is taught to write and read Braille. He is tested for several trades and trained to make a living at the one he is best suited to handle. A big share of our brooms are made by blind people in Alberta. Most of the baskets and practically all of the rubber door mats made from old tires are made right here in Alberta by your blind neighbors. This noted enterprise isn't begging for charity—they are soliciting funds to make the less fortunate people self-respecting, hard-working citizens. A great many blind people are now leading normal lives, raising families and maintaining a livelihood without charity. When the members of the Lions Club call at your door give generously to aid this great educational and training program for blind people. Remember that the Lions Club carry all administration expenses and give of their time and money freely. In addition to the time they contribute the members contribute nearly as much to this fund as all the rest of the town put together. Every cent that the citizens of Raymond donate is turned over to Mr. Hewitt and his helpers in a clear, give! and give! and feel good because you have brought happiness to another blind brother who was helpless.

The Lions Club convened at the regular meeting in the Legion Hall on Monday night at 7:30. President Arledge Hill conducted the meeting. Joe McLean led O'Canada with the aid of Bill Greep at the piano. The old Raymond spirit of confused over-activity took several members off before the meeting was well under way. Mrs. Thompson served a very tasty meal—this gang enjoys good food better than any group I ever saw.

Paul Moreland had received the receipt books for the canvas for funds for the Blind.

P.K. blocked out the town into districts and the Lions into committees and gave each Lion a receipt book. During the next two weeks a Lion will visit you and solicit funds for the Canadian National Institute for the Blind.

Cliff Nalder, representing the Finance Committee gave a very comprehensive report on the work and duties of that Committee. The meeting was adjourned early and each Lion warned to tell his Lioness that next meeting will be Ladies night.

A visitor in a Scottish city was surprised to find the streets deserted and asked the reason. "Tag Day" came the answer. Two weeks later the same visitor returned and found the streets jammed with people. "How, now?" "Well, you see, tag day was a failure. They are now conducting a house to house canvass".

Really, you know, the weaker sex is the stronger sex because of the weakness of the stronger sex for the weaker sex.

Sam Rogers, Sales Manager of J.H. Ashdown in Calgary, was a social visitor with Mr. and Mrs. Jim Harker last week. Mr. Rogers was formerly the Salesman in this district.

THE NEW RAYMOND RECORDER

Mr. and Mrs. Gil Oliver and Mrs. Anne Larsen were guests at the Andy Noel Home at the McIntyre Ranch over the week-end. This was the first close-up look the Olivers have experienced of ranching. A very fine time was had by all.

What Happened At The Council Meeting

The regular meeting of the Town Council was held in the Town Hall at 8:15 p.m. Those present were Mayor Jensen and Councillors Jacobs, Wilde, Melchin, Galbraith, Ralph and Pack.

The minutes of the previous meeting were read and adopted on motion of Councillor Ralph.

The cash statement was read and accepted on motion of Councillor Melchin.

On the motion of Councillor Pack the office inspector's report was read and accepted.

The auditor's report to September 30th was read and accepted on motion of Councillor Ralph.

A letter from Mr. Rudd re: poll tax was read and a discussion was held regarding the meaning of certain sections. The secretary was asked to write the department regarding this matter.

Maurice Cooper met the Council regarding an account of \$84.00 for removing trash from the laus west of Broadway. There was some dispute as to the town's responsibility. Moved by Councillor Wilde that Maurice Cooper be paid this account. The motion carried.

Mr. and Mrs. Frank Kenney of Taber and Mr. and Mrs. Cliff Sturgeon and Gayle of Olds were visitors in town on Sunday. They were joined by Mr. and Mrs. Jack Kenney for Sunday dinner at the Czar Fairbanks home in honor of Max who leaves shortly for Tahiti on a mission.

Keith and Shirley Karen of Taber were also guests.

Sunday evening they all gathered at the Jack Kenney home for a family get-together.

Geraldine Palmer, who is attending the U of A was honored recently when she was chosen to play the female lead in the University Dramatic production of "The Importance of Being Earnest". Geraldine will play the part of Gwendolyn in Oscar Wilde's play.

Congratulations to a talented young lady.

Rotarians Assist School Band

The members of the local School Band and Rotary Club have a fine program outlined for the citizens of Raymond and district for Saturday December 1st. The two organizations are working together to stage a fine Variety Show for the purpose of raising money to finance the Band Activities and to buy them more band instruments. The Rotarians are united in asking the public to support this venture in cultural advancement and promise an enjoyable time for those attending the concert.

(Ed. Note: We have been told, on the sly, that some of the Rotarians will be strutting their stuff on the boards at the Opera House on December 1st. Be sure to be there)

Hi School Capers

By Renae Rasmussen

We scarce had time to catch our breath before three more exciting games of basketball had caught up with us.

These games were played between the three R.H.S. teams and Magrath teams in the Opera House.

The first game was fought out between the Helcats and Magrath girls. However, to prove their good sportsmanship our kids downed the opponents by a good score.

The B Boys of both towns charged together throughout the second game. Both sides were pretty well matched and at the end of the four quarters the score was tied. Overtime was played, and our Mustangs sided the visitors by one point in a truly exciting game.

Last, but not least, the Raymond Comets and Garden City A Team battled through the third game. Again our boys, with real home spirit proved that they, bearing the name of our school, could hold their own in any competition and flash forth untouched.

During all this, thundering shouts and screams were omitted from the cavities of sport fans, filling the building with a constant roar of thunder. All fans alike were enthusiastic over the proceedings.

Afterwards, the jubilant Sugar City kids and the worthy Magrathites, together with the kids from the towns along the way, wended their way down to the High School gym to add a final touch to the evening of entertainment in the form of dancing.

Everyone had an excellent time. Lets keep coming fans, and enjoy ourselves. The teams can't let us down so let's go and not disappoint them. There's lots more good ball on it's way!

Solong!

Mrs. Sybil Vanderhilt was hostess to the Wednesday Night Club this week at her home. High score for Rook went to the special guest, Mrs. Geneva Erickson, and Low prize to Anne Larsen.

A lovely lunch was served at the conclusion of the evening's entertainment.

Monday evening another club left the ranks of the 'no-namers' when they met at the Louis Brandley home with Katherine Brandley and Roxie Hamilton joint hostesses.

After much deliberation the name "Les Ami" was chosen, and then officers for the coming year, with Vonda Wilde, President., Ruth Walker, Vice-President and Mary Watson, Secretary.

After the business was taken care of, Nora Stone showed colored slides and told of her recent trip to England. Sure sounded like fun.

A tasty lunch was served at the conclusion of the evening.

Dr. and Mrs. Gordon Anderson moved into their new home over the week-end. It is the house formerly occupied by Mr. and Mrs. Ralph Walker. The Walkers are presently staying at the home of Mr. and Mrs. J. H. Walker until their home is sufficiently finished to move in out at their farm.

Mr. and Mrs. J. D. Atwood were visitors in Taber over the week-end at the homes of her sister, Mr. and Mrs. Calvin Layton; her brother, Mr. and Mrs. Bill Harding; and her parents Mr. and Mrs. John Harding.

The Neighborhood Club met at the home of Mrs. Maybelle Anderson Friday evening. Handwork and chatting was enjoyed by the guests as well as the lovely lunch served by the hostess.

School Band To Hold Concert

The first High School Band function, C DAY will be held Saturday December 1st at the Opera House. This is being sponsored jointly by the Rotarians and the Band.

It is a Variety Concert to raise funds for the Band for new equipment.

The program consists of the following numbers:

One Act Play by the Rotarians; Band Music by the High School Band; Songs by Jeanine Jensen; Comedy songs by Tim Court and company; Piano Solos by Margaret Bridge; Comic Readings and Songs by Irene Harris and Tom Greene; Jazz Jam Session by Grant Erickson and ensemble.

The Date : December First

The Hour : 8 o'clock

The Place : Raymond Opera House

The Prices : 50¢; 35¢; 25¢

It costs a lot of money to get a Band as large as ours going. We have over 40 members and only 13 school instruments that are useable. Then there are a few students who own their instruments, but that leaves 23 members with nothing to play.

That means we need 20 more instruments at least. Some of these can be purchased by the students themselves, but the majority are too large and expensive for anyone individual to buy. Take an Eb Bass Horn for example. (We need five more) The cheapest one costs \$300. and a good one is closer to \$500. Even a good trumpet costs \$150. To equip this band properly would run in the neighborhood of \$3,500.00

The Rotarians are leading the way by helping us with this concert. Now let's have the rest of the town get behind the band. Let's make it something for all of Raymond to be proud of.

Come out and support the Band on C DAY.

250 Attend 4th Ward Birthday Party

Wednesday night approximately 250 hungry fourth Warders sat down to a hearty chicken supper at their fourth annual Birthday Party.

Bishop J. Golden Snow, Ken Stone, Bruce Galbraith, T. T. Mendenhall and their wives greeted the guests and when each had found a place, M. C. Frank Taylor outlined the evening's programme, beginning with "We Gather Together" led by Milo Vance. C. E. Allred offered the opening prayer followed by an Address of Welcome by Bishop Snow.

An astonishing amount of food was consumed in a short while after which a few minutes were given for gay repartee.

Gordon Anderson announced the entertaining programme which commenced with a Ladies Quartet, Kay Anderson, Mary Watson, Lavonne Bullock and Hazel Meldrum, singing "The Sunshine of Your Smile". "Reveries in Church" sung by Vi and Phyl Meeks was next on the program after which Margaret Stone and Barbara Wing played "The Shepherd Boy" Gracie Selman rendered the vocal solo "It Is No Secret" and "Roses of Picardy" followed by the Gleaners' parade in fashions of the last one hundred years. The models were Nora Stone, Hazel Rebalkin, Hazel Meldrum, Ollie Turner, Lois Milner, Anita McBride, Ladene McBride, Mary Watson, Berna and Janet Cook, Norma and Nadine Meldrum and Kay Anderson.

A Barbershop Quartet in feminine attire was in reality Bill Fairbanks, Howard Rasmussen, Roi Stone and Lincoln Wood. The Junior Gleaners followed next, singing and pow wowing "Heap Big Smoke"

A Grand Finale with all the members on stage concluded the program by singing "For They Are Jolly Good Fellows" and "Goodnight Ladies". T. T. Mendenhall offered the benediction.

Those in charge of the various committees were, the Frank Taylors, the General Committee, Milo Vances, the Program; and T. W. Meldrums the Supper. The Gleaners Girls did the serving.

The I. B. Roberts home was a scene of merriment last Sunday when some of the Roberts' children called to honor their father on the occasion of his birthday. Out of town guests were Mr. and Mrs. Ike Roberts and family of Diamond City.

More Christmas Meat

Raymond Trap Shooters were represented by some fine talent at the Trap Shoot held in Macleod last Sunday when Herbe and Freddie Wilde and Frank Hall went there to show how the job should be done. Evidence that they did that was the three turkeys that Herbe got, the goose Freddie brought home and the turkey that Frank won. In winning the three birds Herbe was declared top-dog of the shoot. What a wonderful way to get your Thanksgiving, Christmas and New Year turkeys. Eva went along to lend her husband a hand with his loot.

Mr. and Mrs. P. W. Cope went with the group but they spent their time visiting with Mr. and Mrs. Halpin. Mr. Halpin will be remembered by many as manager of the old Bank of Commerce here.

COMRADES COLUMN

The November General Meeting was held on the 14th with only a small number of members present. Coming as soon as it did after the annual dinner, many were of the impression that there would not be a November meeting. Notwithstanding the small attendance some important business was discussed. The President expressed his appreciation for the manner in which all members supported the dinner and Church Parade.

It was the desire of the President who will be retiring the end of the month, that a Social be held for all members and their wives or friends sometime before he retires. A tentative date was set for December 14th. Full details will be announced later. The invitation committee under Harry Hall will see that all veterans are notified.

Arrangements are also going ahead to hold a building bee to assist a needy veteran in the construction of a new residence. In this regard we wish to point out that while the club facilities are primarily for the use of paid up members in good standing, the assistance and welfare offered by the Canadian Legion is for the benefit of all veterans whether members or not.

Some birds just can't seem to catch on that we are having winter here in Sunny Southern Alberta. With the way old Mother Nature has mixed up her seasons this year, who can blame them.

The latest foolish bird was a real chattering bluejay that was seen and heard in the Charles Innes yard on Monday afternoon. In spite of the cold some of the neighbors gathered to see that bit of fond-remembered evidence that summer was once a regular feature here.

W. I. Raffle Winners

Winners of the W. I. Raffle prizes drawn for last Saturday were of the wrong sex for such things but they can give their prizes as Christmas gifts. E. K. Bullock of Welling won the quilt, Clarence Bowden won the pillow cases and Bill Fairbanks won the dolly. Looks like the men around here should hold a Bazaar so that some women can have a turn at winning.

Mr. and Mrs. C. D. Peterson had as their guests over the week-end their granddaughters Jean and Joanne Rabidou of Calgary.

Mr. and Mrs. Alex Poulsen of Magrath were visitors on Sunday.

Thursday night was drama night in the 4th Ward Mutual when three plays were presented by Ruth Gibb and Bill Clarke, drama directors.

"Who's Afraid of Ghosts", starring Dean Cooper, Bill Fairbanks, Lynn Stone, Dick Allen, David Galbraith, Ronnie Melchin and Roger Stone reversed the usual spooky theme with humans frightening ghosts, temporarily at least.

Yvonne Meeks, Mary Snow, Robert Gibb, Gary Christensen and Orson Bingham in "Threes A Crowd" humorously portrayed the problems of the kid sister who has to tag along and the boy without a car.

The third play, "The Rosewood Piano" in 2 acts, presented by 1st Ward Mutual was directed by Helen Attwood. Fontella Boehme, John Smith, Anne Ash, Roger Kirkham, Gerry Dahl, Glenda Pack, Winston Shaw and Johnnie Boehme ably depicted one pioneer's family's trials during the exodus of Nauvoo in 1846. Afterward all who took part during the evening were treated to cake and ice cream by the mutual executive.

DO IT NOW

The following extract taken from the remarks made by Apostle John W. Taylor is well worth reading. We quote from our exchanges published at about the time the now famous utterance was made.

"At the Quarterly Conference of the Emery Stake of Zion, held at Castle Dale on the 10th and 11th of January 1906, Apostle John W. Taylor urged upon his hearers the importance of reading good books, periodicals and the newspapers, and said it was from these he gained most of his knowledge. Said he:

"And above all support your local newspaper. Subscribe for it in preference to any other paper and don't go around borrowing your neighbor's paper and bothering other people to learn the local news. Take the local paper and read it and pay for it. There is no other enterprise that works more faithfully for the advancement of institutions than does the local paper and the editor should have your support and encouragement."

We were pleased to note that the Department of Veterans' Affairs has granted a 30 per cent increase in pensions to disabled veterans and widows allowance of veterans. With the cost of living index standing where it does these increases are very fitting and appropriate.

Our congratulations go out to Comrade Jimmy McLaughlin on his election as third term president of the General Stewart Branch of the Canadian Legion. Jimmy has visited our branch on a number of occasions.

We wonder how the writer of a daily column does it.

An act to incorporate the Canadian Legion or the British Empire Service League was passed through the 20th parliament of Canada in 1948. The constitution of the Canadian Legion B.E. S.L. sets down 21 purposes and objects. In order to better acquaint the public with Legion organization we will publish two of these purposes and objects each week.

The purposes and objects of the Legion shall be:

(a) To constitute an association of those who have served in His Majesty's navy, army, air force or any auxiliary force, which association shall be democratic, non sectarian and shall not be affiliated to or connected directly or indirectly with any political party or organization.

(b) To bring about the unity of all who have so served.

FOOD COSTS AND WAGE RATES

The high cost of living has been receiving a good deal of attention lately, with much criticism being levelled at the high food costs. Just recently Rt. Hon. Louis St. Laurent, Prime Minister of Canada, quoted figures in the House of Commons, which indicated that actually food costs were lower now than they were in 1939 when the cost of living was at a very low level and farm prices were still at near depression levels.

The table below gives Mr. St. Laurent's figures showing estimates of food quantities which one hour's work of an industrial employee, at average wages would buy in certain periods:

	Oct. 1939	Oct. 1950	June 1951
Sirloin beef, lbs.	1.6	1.2	1.1
Bacon, lbs.	1.3	1.5	1.7
Eggs, doz.	1.2	1.5	1.6
Potatoes, lbs.	22.8	36.5	39.1
Bread, lbs.	7.3	9.5	9.9
Milk, quarts	4.1	5.6	5.9
Butter, lbs.	1.4	1.5	1.7

Calculated in another way, an hour's work at average industrial wages, in June of this year would buy 30 per cent more bacon, 33 per cent more eggs, 75 per cent more potatoes, 21 per cent more butter, but 21 per cent less of beef, than an hour's work in 1939.

Young men...

Here is Challenge
 and OPPORTUNITY

Training and experience in leadership are two of the most valuable assets you can possess, no matter what lifetime career you select. You may obtain both training and experience as a leader under a new plan whereby the Canadian Army is training young men with Junior Matriculation or Equivalent Educational Standard as Officers in the Active Force.

But there is a challenge in the standards you must meet -- in the courses you take and pass before you can qualify for a commission.

And, there is opportunity in the privilege of leading Canada's soldiers at home and abroad.

If accepted you begin training at Camp Borden as an Officer Cadet to qualify as a Second Lieutenant in the Active Force. You will receive Second Lieutenant's pay while in training. When you are granted a commission you will then serve for periods of 3, 4 and 5 years as you choose under the Short Service Commission Plan. At the end of this service you may apply for a permanent commission.

To qualify you must be: Single -- Physically fit -- Between 18 and 25 years of age and have a Junior Matriculation or Equivalent Educational Standard.

What Happened at the Council Meeting

(continued from page one)

In regards to civil defence It was moved by Councillor Pack that Fire Chief Wm. Hague be asked to organize an auxiliary fire brigade and Constable Wilson Rolfson an auxiliary police force and John Housley a first aid group. Carried.

Moved by Councillor Melchin that the fire hose and fittings authorized at the previous meeting be purchased from the Dunlop Co. as the quotation from all companies was exactly the same and satisfaction had been received from the Dunlop Co. on previous orders. Carried.

The question of the advisability of extending the discount date on taxes was taken up but no change was made. The Council re-affirmed its policy of charging the full license for operation for part of a year. This discussion came up in regards a barber shop license.

It was moved by Councillor Melchin that the Constable be requested to enforce the traffic regulations in the business district, particularly regarding crossing between intersections, angle of parking, parking in front of hydrants, garage driveways and lanes and to check the conduct of restaurants, minors in pool halls and use of profanity and improper language on the streets and in public places and to lay charges where necessary.

Moved by Councillor Melchin that certain restaurants be written informing them that if the conduct of their business was not improved immediately that their license would be cancelled and that if minors were found in pool halls that charges be laid and steps taken to immediately cancel the license of the operator.

The secretary was asked to check with Calgary Power as to the time of turning on and off of street lights and to check the sidewalk east of Southern Road's property as it is reported that the sidewalk has been damaged by heavy equipment crossing over.

"The Alberta Red Cross Crippled Children's Hospital is in need of financial support as is the Blood Transfusion Service which requires funds as well as blood to continue its life-giving benefits," he said. "Without a strong, active Red Cross branch in every district, these services as well as all Red Cross programs will be threatened with curtailment."

NOT KNOT

An eccentric in the Adirondacks constructed a building entirely of knot holes. "What kind of holes do you call these?" asked a visiting New Yorker.

"They are knot holes", said the builder.

"Hmmmph," said the New Yorker, "they look like holes to me."

He: "My idea of a good wife is one who can make good bread."
She: "My idea of a good husband is one who can raise the dough in the hour of knead."

Presenting

THE MAN'S PERFECT GIFT

It's the one SAFE gift. Every man will welcome an extra hat.

It's a lasting gift. It won't be used up, smoked up, or forgotten, a week after Christmas.

It's a LUXURY gift. A new hat flatters a man's whole outfit.

It's a MODERATE-PRICED gift—not too high for the purse or too low for the pride.

It's EASY TO GIVE—via the miniature hat and hat box.
